Releasing polluted water into Yamuna

312. SHRI MOTIUR RAHMAN: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether untreated polluted water is being released by industrial units and is being flown unchecked into the river Yamuna in Delhi, everyday;

(b) if so, the reasons for not checking the flow of polluted water into the river Yamuna; and

(c) the names, addresses, etc. of the industrial units releasing polluted water without treatment and the action taken against each one of them?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) and (b) As reported by the Central Pollution Control Board, partly untreated industrial wastewater is released to the river Yamuna from the industrial areas in Delhi. Out of total 249 million litres per day (mld) of industrial wastewater generated, facilities have been created for treatment of 156 mld of wastewater through 11 Common Effluent Treatment Plants (CETPs) leaving a gap of 93 mld of wastewater for treatment. The performances of some of these CETPs are not found satisfactory in compliance with the stipulated standards.

(c) There are 29 planned industrial estates in Delhi covering small and medium scale industries. A list of the industrial areas/estates in National Capital Territory of Delhi is annexed in the Statement (*See* below). The performance studies of CETPs are carried out by Delhi Pollution Control Committee on regular basis and corrective steps are taken with the operators of the CETPs not complying with the standards.
